Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Tax implications of our advice

Under the Tax Agent Services Act 2009, Mosaic Wealth Advisers Pty Ltd, trading as Mosaic Wealth Advisers is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

We can arrange to complete transactions for you on limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which will be documented in writing. We will keep a record of this documentation for seven years. You may request a copy of such records by contacting our office during that period.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to annual advice and services, the details will be documented and provided to you in an advice or service agreement. This includes the frequency of contact between us, service standards that may apply, any fee arrangements and how the agreement can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, we may transfer our rights and obligations under our servicing arrangement with you to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If we do this, the new service provider will provide the servicing to you and will be entitled to the agreed fees. The new adviser will also take over the rights and obligations on the same terms and conditions set out in the servicing arrangement and we will be released from those rights and obligations. We will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The actual fee charged to you will depend on the nature of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed. The following section outlines the types of fees that may apply:

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

Our agreed advice and service fees may include charges for:

- Initial advice
- Ongoing or annual advice and services.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

We offer you the following payment options for payment of our advice and service fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided).

All fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue over a 12 month period.

For more information on our services, please see our **Schedule of fees** attached or available on request.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial support including financing, technology and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation including if we qualify under the licensee's excellence program, and business performance or for business operational costs. These benefits are paid either at the licensee's discretion or depending on meeting certain qualifying criteria including the quality of our services and advice provided to our clients, business goals and ranking against other practices in AMP Financial Planning. The amounts are set by the licensee from time to time (usually on an annual basis). We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

We might receive financial and non-financial assistance from the licensee including financing, badging rights or technology support to help us grow our business.

Development, management and advice (DMA) run off payments

Eligibility to receive DMA run off payments is dependent on us continuing to be authorised by and meeting standards set by AMP Financial Planning. From 31 January 2020 we will be eligible to receive run off payments based on the amount of advice revenue we generated in 2018. Advice revenue includes revenue directly attributable to advice provided to a client for an agreed fee. It excludes commissions from investment, insurance and banking products. These payments are to assist with our cashflow over 3 years as set out in the table below. Run off payments will not be made after January 2023.

Year	Total annual amount
2020	\$14,850.00
2021	\$9,900.00
2022	\$4,950.00

Business buy-back option

If we leave the financial services industry or can no longer appropriately service a selection of our clients, AMP Financial Planning will either look after our clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

Personal and professional development

AMP Financial Planning offers education, personal and professional development opportunities to our practice on an annual basis. Participation in these opportunities may be based on attainment of qualifying criteria or open eligibility.

Education and professional development

AMP Financial Planning may subsidise the cost of our participation in approved education and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice.

Qualification for this subsidy ceased on 31 December 2018. Any subsidy we earned prior in 2018 is available to us until 31 December 2020.

Provided we meet specific qualification criteria AMP Financial Planning will support the practice with up to 20% of the licensee fees payable by the practice to the licensee in 2017 to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority.

Both the subsidy and support mentioned above are paid by AMP Financial Planning directly to the education provider and not to us.

Amicus program

In addition to the above, certain practices that meet additional qualification criteria may be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. If a practice qualifies for the Amicus program, AMP Financial Planning may subsidise the cost of their participation.

Paraplanning costs subsidy

We may be eligible for a subsidy from AMP in relation to paraplanning costs, depending on the number of paraplanning requests that we make in a particular month. If our practice submits a minimum of 5 paraplanning requests per eligible authorised representative in our practice, we receive

a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 we will receive a discount of up to \$250 ($25\% \times \$1,000 = \250) and pay a discounted fee of minimum \$750.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. We may share in this fee based on the level of participation by our clients.

Relationships and associations

It is important that you are aware of the relationships that AMP Financial Planning has with providers of financial services and products as they could be seen to influence the advice you receive.

Specific arrangements

Further details about the fees and costs of investing in WealthView or PortfolioCare are detailed in the relevant product disclosure statement or IDPS Guide. For closed products, please review the product disclosure statement you received when first investing in your product together with any correspondence from the issuer outlining changes to those fees and costs.
